FROM PRINCIPALS' PEN

I extend my heartfelt welcome to you on choosing this college for pursuing your higher studies. The illustrious rural astronomical view of snow-capped Dhauladhar mountain ranges and Basu river provide a perfect setting for serious studies leading to desired outcomes. Established in 2001 and named in the memory of Thakur Jagdev Chond, college is catering to the demands of students of three districts: Mandi, Kangra and Hamirpur.

The teaching learning environment is very much conducive for you to realize your potential, ambitions and goals. A team of experienced and young dedicated, energetic, motivated and learned teachers, well qualified and expert in their respective fields are always ready to share knowledge and learning experience to help you acquire relevant understanding, refined behaviour and employment related skills that will be very useful through your life. We serve as real mentors, inspirers and guides the students to make them good human beings, concerned citizens and productive members of society.

The college spread in two campuses provides education in arts, science, commerce and self finance courses BCA and BBA. The highly developed infrastructure in terms of class rooms, IT lab, science lab, computer lab, Excellent library facility, sports equipment, provides ample opportunities to you to become active members of NSS, fests and various, red ribbon club, Red Cross society, Eco clubs and Subject societies in which you can involve yourself. The college also organizes various curricular, co-curricular and extra-curricular activities from time to time and it is expected from you to actively take part therein. All this will help you develop many qualities and personality traits which will be your life long assets.

As we step into this new academic year filled with hope & dreams of scaling new heights, I wish to reiterate the importance of few things that we have to keep in mind. Parents should remember that children should not be forced, but should be guided to achieve whatever goals they may have in their minds in an easy and pleasing manner, so that we may be able to discover the particular touch of genius in each one of them. Hard work, dedication and perseverance are the most important traits in a person that lead to success. The future belongs to you, your need, therefore, is to prepare yourself for an active participation in the world. This participation demands that you become well informed and hence develop yourself like a pioneer and ultimately grow as responsible men and women. Heights by great men were reached and kept, not by sudden flights, but when their companions slept, they worked during the nights. Dreams must be wedded to hard work. A spider never crawls to make its web rather it does not call it a day unless the bridge is complete.

"We cannot always build the future for our youth, but we can build our youth for the future."

Dr. Ajay Singh Banyal

OUR INSTITUTION

Education is a preparation for life. It is a lifelong process. Educational institutions lay down the foundation of the process.

The college is located at Gurgaon, Thiru in Hamirpur District. A place of historical importance. The grandeur of the Dhauladhar provide a serene backdrop to the college campus. At one time, it was the capital of a flourishing kingdom on the north of the river Basu, ruled by historical Maharaja Sanyal Chond.

It is situated in the rural area of Hamirpur district and draws its students from the surrounding towns and villages of three districts: Kangra, Mandi and Hamirpur. It was christened after the legendary statesman of the region Thakur Jagdev Chond.

Thakur Jagdev Chond Memorial Govt Degree College came into being in 2001. Since its inception, the college has risen from strength to strength and has progressively made its marks as one of the leading institutions of higher learning in Himachal Pradesh. This institution provides an ideal ambience to the students for pursuit of learning and development of personality. Students Course-wise Assessment and Evaluation :-

- All courses involve an evaluation system of students that has the following four components :-
 - Continuous Comprehensive Assessment (CCA)
 - Accounting for 30% of the final grade that a student gets in a course and
 - End Term Examination accounting for the remaining 70% of the final grade that the student gets in a course.
- Continuous Comprehensive Assessment (CCA) :- This would have the following components:
 - Classroom Attendance :- Each student will have to attend a minimum of 75% lectures/ Tutorial/ Practicals. A student having less than 75% attendance will not be allowed to appear in the End-Term Examination/Annual Exam.
 - Those having between 74% and 65% attendance may apply for exemption in a prescribed form accompanied by a valid medical certificate from a Government Hospital to the head of the institution.
 - Those having between 64% and 50% attendance will apply for exemption in a prescribed form accompanied by a valid medical certificate from a Government Hospital to the head of the institution.
 - The exemption from 75% attendance will be given to those participating in prescribed co-curricular activities (e.g. NCC, NSS, Youth Festivals, Sports, etc.) to the extent of 25%. However, the condition of 50% attendance will be compulsory in these cases. The claim for this exemption should be supported by an authenticated certificate from the concerned authorities.
 - Those getting the exemptions, except for those getting exemptions for co-curricular activities, will not be entitled for getting the CCA marks for classroom attendance as given below.
- Classroom Attendance Incentive :- The incentive for the classroom attendance will be added to the percentage of attendance. 25% will be added to per cent attendance will be awarded CCA marks as follows :-

> 75% but < 80%	-1 marks
> 80% but < 85%	-2 marks
> 85% but < 90%	-3 marks
> 90% but < 95%	-4 marks
> 95%	-5 marks
- Mid-term Test :- There will be one mid-term test before the end term exams/Annual Exam. The marks obtained in the mid-term test will be added with CCA.
- Seminar/Assignment/Term Paper :- The remaining part of CCA will be awarded on the basis of seminar/assignment/term paper etc. that the course teacher might give to the students.
- End Term Examination :- The remaining percentage of the final grade of a student in a course will be on the basis of an end-term examination that will be for three hours duration and will be covering the whole syllabus of the course.

e) IA/CCA and Term End Examinations will be in consonance with the existing RUSA provisions i.e. 70% in theory and 30% in CCA/IA for Arts and Commerce and the subjects/courses where practicals sciences and the subjects/courses where practicals

Abstract: The purpose of this study was to determine the effect of a 10-week training program on the physical fitness of 10- to 12-year-old children. The program consisted of a 10-week training program, which included a 10-minute warm-up, 10 minutes of aerobic exercise, 10 minutes of strength training, and 10 minutes of flexibility training. The program was designed to improve the children's physical fitness, which was measured by the 10-minute step test, the 10-minute sit-up test, the 10-minute push-up test, and the 10-minute plank test. The results of the study showed that the children who participated in the program showed significant improvements in all four physical fitness measures compared to the control group. The 10-minute step test results showed that the children who participated in the program had a significantly higher number of steps than the control group. The 10-minute sit-up test results showed that the children who participated in the program had a significantly higher number of sit-ups than the control group. The 10-minute push-up test results showed that the children who participated in the program had a significantly higher number of push-ups than the control group. The 10-minute plank test results showed that the children who participated in the program had a significantly higher number of planks than the control group. The results of the study suggest that a 10-week training program can improve the physical fitness of 10- to 12-year-old children.

A lecture on "*Energy Conservation*" was delivered by Sh. Anurag Prashar, Additional Director-cum-Advisor, HPSEB on 31st July 2024 at 10:30 AM in the Conference Hall. The event was organized on a short notice by the Eco Club and Energy Club of GC Suranpur. Students of BSc I, BSc II and BSc III attended the lecture along with their teachers. Sh. Prashar ji highlighted the importance of saving electricity for consumers as well as for electricity board. He told that consumers are advised to save electricity because electricity saved by our state is sold to neighbouring states on much higher rates and generates revenue for the state. Saving electricity by switching off the appliances when not in use helps reduce the electricity bills for the consumers. He also pointed out the role consumers can play in checking out electricity cuts during peak hours. He informed the audience that electricity if used judiciously during the peak hours can help avoiding electricity cuts. He told that consumers can contribute upto 70% in reducing electric cuts, while upto 20% depends on environmental factors like thunder storm, rain, snowfall, flash floods etc., and the rest 10% is in the hands of HPSEB. He further said that not revising the load of a household once it was built and then later raised to a multi-storeyed a house is a type of theft and should not be done. After the lecture of Sh. Anurag Prashar ji, Principal Dr. Ajaib Singh Banyal addressed the students in the first programme/lecture of the session 2024-2025 and interacted with newly admitted students. He welcomed the new students and highlighted some important points from Mr. Prashar's Lecture. This was followed by a question answer session on the said topic. प्रियतम निवेदन यह है कि मैं आपके कॉलेज की B.Sc 1st year की छात्रा हूँ। हमारे कॉलेज के Chemistry Lab में जो L.A है उसीने मुझे आज सुबह 6:16 AM पर मुझे Message किया। उसमें लिखा था कि I Like you, कि ये बात हम दोनों के बीच रहेगी। और मैंने कहा कि मैं आपकी नहीं जानती हूँ। फिर कहने कि मेरी कोई वदन नहीं है क्या आप मेरी वदन बन सकते हो। और यच मैं मैंने मना मत करना फिर मैंने कहा कि मैं आपकी जानती ही नहीं हूँ तो वदन कैसे बन जाऊँ। फिर उसीने कहा कि वदन का रिश्ता लाइफ टाइम बिताऊंगा। फिर उसीने कहा कि हम मुरली मंदिर में मिल लेंगे। फिर मैंने कहा कि मेरा नंबर कहा से मिले। मैंने सबूत के लिए फोटो भी मांगी। तो उसीने अपनी फोटो भेज दी। फिर उसीने वास्तु में कहा कि मैं आपकी सपोर्ट करूंगा इज्जत और परेन्टिम्स में आपसे निवेदन है कि आप इन्हें अच्छे से समझा دیجील कि ये दुवारा मुझे Message करके परेशान ना करें। और जब हम Chemistry Lab में Practical करने जाय तो वह वहाँ पर उपस्थित ना हो। मुझे आशा है कि आप मेरी सारी बात ध्यान पूर्वक समझेंगी।
