At present, we see that along with the concept of development, degradation of environment is also taking place on a very large scale. There is no doubt that to keep pace with the world economies, we have to accelerate development and upgrade technology. But along with this process of development, we also see that our environment is suffering from its fatal consequences. And when there is environmental pollution in some way, it will have an impact on us. Today, various types of pollution are causing many diseases. Industrialization, transportation and many other factors have led to extreme climatic and soil pollution. The concept of sustainable development carries with it certain options in which we develop as environment friendly and use natural resources in such a way that future generations can also use these natural resources. The main objective of this international workshop sponsored by Government College Sujampur is to make the society aware of sustainable development and environment and how we can make the concept of sustainable development successful. And how can we protect our environment? The meaning is that along with development, we also have to save the environment, only then will we be able to protect ourselves from the protection of nature.

Dated: Shimla, the

August, 2025

To

All the Principals,
Govt. Degree College/ Skt. College
in Himachal Pradesh.

Sub: -

Submission of ACR's as per time schedule prescribed by the Government.

It is a matter of great concern that despite repeated instructions the Annual confidential reports of teaching staff / non-teaching staff working under your control are not being sent strictly in accordance with the following time schedule prescribed by the Government :-

Sr. No.	Categories	Time Schedule
1	Teaching Staff	Before 30 th September every year
2	Non- Teaching Staff	Before 30 th April every year

On scrutiny of the ACR record it has been found that many of the ACRs in respect of teaching staff and non- teaching staff as per the ACR dossiers maintained in this Directorate are still awaited. For ensuring timely completion of ACRs, the matter should be personally looked into by the concerned Head of the Institution / reporting officer at Institute level through proper channel. Action against the defaulters be initiated as per rule if not complying with the instructions/ direction of higher authority. Any kind of lackadaisical approach in this regard shall not be tolerated.

ACRs sent in future may be arranged alphabetically showing DOB, DOA, Mobile Number as well as Sty. No. and dossier No. (if available) separate forwarding letter may be used for each category of the cadre while sending ACRs. It is therefore directed that the ACRs for the previous years if any should be sent immediately. The ACRs for the year 2024-25 should reach this Directorate as per above time scheduled.

This may be given personal attention.

e teacher is not able to handel 2-3 subjects it's impossible for anyone ..so there should be recr

to lower campus daily from which took a huge amount of time. And college needs to be renc

ograms to enhance learning and job readiness.

ruitment for some new teachers so that students will able to complete all the syllabus timely and the te

ovated too. Remaining aspects like professors , studies, Resources are actually enough.

acher also focus only on one subject completely.

To

All the Principals,

Submission of ACR's as per time schedule prescribed by the Government.

It is a matter of great concern that despite repeated instructions the Annual confidential reports of teaching staff / non-teaching staff working under your control are not being sent strictly in accordance with the following time schedule prescribed by the Government :-

Sr. No.	Categories	Time Schedule
1	Teaching Staff	Before 30 th September every year
2	Non- Teaching Staff	Before 30 th April every year

On scrutiny of the ACR record it has been found that many of the ACRs in respect of teaching staff and non- teaching staff as per the ACR dossiers maintained in this Directorate are still awaited. For ensuring timely completion of ACRs, the matter should be personally looked into by the concerned Head of the Institution / reporting officer at Institute level through proper channel. Action against the defaulters be initiated as per rule if not complying with the instructions/ direction of higher authority. Any kind of lackadaisical approach in this regard shall not be tolerated.

ACRs sent in future may be arranged alphabetically showing DOB, DOA, Mobile Number as well as Sty. No. and dossier No. (if available) separate forwarding letter may be used for each category of the cadre while sending ACRs. It is therefore directed that the ACRs for the previous years if any should be sent immediately. The ACRs for the year 2024-25 should reach this Directorate as per above time scheduled.

This may be given personal attention.
